ABOUT ME

Enthusiastic motion graphics artist with 7 years of experience, strong design fundamentals, and proficiency in Adobe After Effects and Photoshop. Skilled in creating visually compelling animations, including AI-driven video content, that engage and captivate audiences.

SOFTWARE SKILL

WORK EXPERIENCE

Mar '19 - Aug '23 **SR. MOTION GRAPHIC ARTIST**
ThinkingGrey / Mumbai, India.

Conceptualized and produced a self explanatory video for the One UltraTech App using Photoshop, Illustrator, and After Effects.

Created an explainer video for Mondelez on downloading five sales analysis reports.

Developed a technical video covering colour theory concepts including colour wheel, temperature, and values.

Designed a “Skyhawk” GIF for Asian Paints using After Effects, Illustrator, and Photoshop.

Built strong expertise in video editing, motion graphics, and visual storytelling, with a focus on detail, brand alignment, and engaging content.

WORK EXPERIENCE

Aug '23 - Present **SR. SPECIALIST, MOTION GRAPHIC DESIGN**
Affinity Global Inc. / Mumbai, India.

I create engaging visual content including case study videos, campaign features, and explainer videos across multiple business units. I bring strong attention to detail and align creative output closely with brand objectives. Awarded an MMA Smarties Award for the Veve video.

Skilled in design and video tools, I combine graphics, animation, and storytelling to produce high-quality content, including GIFs that boost audience engagement.

A collaborative team player, I communicate ideas clearly and consistently deliver projects on time. I'm driven to innovate and create impactful visual experiences.

May '25 - Present **LEAD MOTION GRAPHIC DESIGNER**
Konnect Insights / Mumbai, India.

Led a team of designers, delivering high-quality creative output within deadlines.

Partnered with the CEO to produce pitch videos supporting business growth.

Produced multimedia content including social media campaigns, co-branded videos, release notes, podcasts, academy, and AI-based videos.

Collaborated with marketing, product, and partnerships teams to ensure consistent branding.

Improved workflows and quality standards, enhancing team efficiency in a SaaS environment.
